Many Needy Families Assisted During the Past Year---Funds Must Be Had to Carry Out Plans for Winter.

The Associated Charities of Newport News is an organization that was
immeded in Decemer, 1908, to care
for neeny people in a systematic way.
Previous to the starting of this organization, it was easily possible for
the undeserving to play on the sympathy of the kind heated and this
gaining support from many sources,
five is comparative affluence. At the
same time many deserving people
might be in advantate want. These
possible from the and only suslive in comparative affluence. At the same time many deserving people might be in subsolute want. These needs known to none and only suspected by their neurest neighbor, as poor possibly as they. To meet these problems systematically; to see that none starved save those who could, but would not work; to give assistance with the thought in mind of eabling the helpless to help themselves; these were the reasons that called the Associated Charities into helps. helog

heing.

In the brief first season of its existence, the society has already proved its value. Approximately 112 families were supplied with groceries; 35 with coal and weed, and 30 with clothing. Each of these cases was carefully investigated before any action was taken, so that these figures represent but a fraction of the calls made on the Associated Charities for assistance. The total cost for all purposes has year was \$500.

For the present season the demands with

year was \$500.

For the present geason the demands give premise of being much more numerous than heretotore. The cold snap of the past week brought out many cries to the society for assistance, while many others were taken care of by the Christmas denation of within these supplies become exhausted the society will have increasing demands to face.

demands to face.

Heades this the organization expects shortly to flace in the field as a district nurse, some capable woman who can spend her time going from house to house h lping out here and there as needed.

Money Needed.

To meet these demands money is needed. This is all raised by popular subscriptions, which have ranged in the peat from \$1 to \$160. Any person contribating \$1 or more is made a member of the society for one year and is entitled to a memberablip ticks with detachable slips, good for that

period only. These slips are to be given to those who need assistance who will take them to Superint need Golden, at the Sailors' Rest, Hg will investigate the case, and, should conditions warrant, give the assistance deaired.

All efficiency pected to be proceed to be proceed and plans are on foot to raise the required amount. The churches have been asked to amounce on the first Sanday in January that on the following Sanday an opportunity will be given for the congregation to make an offering for this cause. The board of managers further decided that it would be best to concentrate their effects and eccordly will make a canvass for members and contributions on Tuesday, January t.

The mayor has given publicity to the movement by issuing a proclamation designating the day as Charties' buttons. The witness to the
